

War Veterans To Hold Convention June 9 At Tahoe

Plans Are Completed For Staging Program At Crystal Bay

CRYSTAL BAY—Robert Molsberry and Pearl Moore, Department of Nevada convention chairman, state the 28th annual Department of Nevada convention opens at Crystal Bay, Thursday, June 9, with opening ceremonies to start at Nevada Lodge at 11 a. m.

National representatives who will attend the three day convention are inspector general of the V. F. W. Charles E. Kinney of Newark, New Jersey, and Mrs. Francis Millican, senior vice president of the Ladies Auxiliary from Palatka, Florida. Other guests will be former Senator George W. Malone and Lt. Gov. Rex Bell.

Cootie activities will begin with registration on Wednesday, June 8, at 8 a. m. with the convention to start at 1 p. m. at the Crystal Bay Club.

Registration for those planning to attend the convention will be at the Crystal Bay Club, starting at 9 a. m. each day. Registration fee will be V. F. W. \$2 and Auxiliary members \$1. Package deal including registration fee, all parties, luncheons, and banquet, badges, souvenir book and souvenirs can be purchased for \$15.50 for men and \$14.50 for women. Tickets will also be available at the door.

Luncheons and meetings for the auxiliaries will be held at the Nevada Lodge. Luncheons and meetings for the posts will be held at the Crystal Bay Club. Meetings for both groups will start at 9 a. m. until 12 p. m. Friday and Saturday afternoon sessions both days will be 1:30 to 3:30. Luncheons from 12 to 1:30. All Auxiliary members of V. F. W. No. 7077 are asked to please make their reservations for the luncheons by June 5, to Pearl Moore or at the registration desk by June 8.

On Thursday, June 9—hours 6 to 7 there will be a cocktail party compliments of the Crystal Bay Club for all V. F. W. Post and Auxiliary members present.

Commander Bob Molsberry, V. F. W. Post No. 7077 and President Pearl Martin ask that all who can to please attend the opening ceremonies and that all members of the Post and Auxiliary attend the meetings scheduled for Saturday June 11 starting at 9:30 a. m. Banquet which will conclude the convention will be held at the Nevada Lodge at 8 p. m. and is open to all and their guests. Plan to attend the 28th Department of Nevada convention now, make your reservations and don't forget to register at the Crystal Bay Club starting Wednesday June 8.

ANNUAL CONCERT BY MUSIC DEPARTMENT

The annual spring concert, under the direction of Ross Price will be presented Friday, May 27 by the music department of the Tahoe Truckee High School at 8 o'clock in the gymnasium of the edifice.

An admission charge of 50 cents per person will be made for the evening which promises to be a musical treat. The concert and dance bands, with the soloists, choir and ensemble will perform varied types of music. The public is cordially invited to attend the event which the groups have prepared for by many hours of practice.

ELLEN RICH IS FETED BY RAINBOW GIRLS

Ellen Rich was honored last Monday evening at a special "farewell night" program conducted by the Truckee Order of Rainbow Girls at the local Masonic Hall.

Miss Rich has capably served as worthy advisor of the group. On this last evening of her term she was presented with a variety of gifts from her fellow officers and her Rainbow sisters. The girls also composed and sang original songs in her honor.

Main entertainment of the evening was an act in baton twirling by Kathy Barker.

Refreshments were served at the close of the evening.

JURY FINDS DRUNK DRIVER WAS GUILTY

Eugene Alvarez, 27, Stockton, was found guilty on a drunk driving charge by a jury in the court of Judge F. W. Wilson yesterday.

He was sentenced to serve five days in jail and pay a fine of \$525. R. W. Siebold was foreman of the jury which heard the case.

The defendant acted as his own attorney and Leo Todd, deputy district attorney handled the prosecution.

From Mexico—
Mr. and Mrs. J. D. Anderson of Tahoe Vista returned from a business and pleasure trip to Mexico.

To Wed—
Paul Dennis Jones, 26 of Truckee and Mary L. Fisher, 19 of San Bruno were issued a Reno marriage license.

Prosecution Threat Aimed At Garbage Code Violations

Prosecution of individuals who are refusing garbage removal service is promised by the Truckee Sanitary Board after June 1, according to an announcement made by James McIver, president of the board of directors of the district.

McIver pointed out that refusal of garbage service is a violation of the health and safety code of the State of California as well as the various ordinances of the district.

Effective June 1, McIver said, any violations still outstanding will be prosecuted according to law.

Ordinances No. 5 and 6 of the sanitary code will be re-published in the near future so that everyone can acquaint themselves with the law governing the garbage removal situation, McIver declared.

Mrs. Wilbur Glenn Is PTA President

Mrs. Wilbur Glenn was installed as president of the High School PTA and will have the following executive committee: Mrs. Eugene Riden, vice president; Mrs. Charles Carroll, secretary; Mrs. Charles Rich, treasurer; Mrs. Elmer Brown, historian, and James Brehler, parliamentarian.

Max Williamson gave such an interesting and informative report of the work of the Citizen Curriculum Advisory Committee that the members agreed that the recommendations should be made again at a meeting of the PTA in the fall so that more people could hear it and be aware of the committee's work.

JEANNE KESSEY WILL WED VALLEY MAN

A late June wedding for Jeanne Adare Kessey and Richard Frederick Reuter, Jr., is being planned following the recent announcement in the bay district of the couple's betrothal.

The bride-to-be has made many friends during her residence here as a teacher in the Truckee Elementary School. She is a graduate from San Francisco State College and furthered her education with a year's study at the University at Oslo, Norway. Ira Kessey of Oakland and Mrs. James Dunlap of San Anselmo are the parents of Miss Kessey.

Reuter is a graduate of forestry from Yuba Junior College and is head of snow removal and avalanche control at Squaw Valley. Mr. and Mrs. Richard Reuter of Chico, California are his parents.

The wedding ceremony will be performed June 25 in the Queen of the Snows Catholic Church at Squaw Valley, followed by a reception to be held in Squaw Valley Lodge. After their marriage, the couple expect to establish their home at Squaw Valley.

TAHOE CAMPS WILL BE OPEN ON MAY 27

TAHOE CITY—The U. S. Forest Service public campgrounds, Silver Creek and William Kent, will be open for the season by May 27, it was announced this week by Norman Anderson, assistant ranger.

William Kent campground has 110 units and is located 4 miles south of Tahoe City. This campground has a small beach on Lake Tahoe.

Silver Creek campground is located 10 miles south of Truckee on Highway 89. This camp has 28 trailer and camping units. Both Forest Service campgrounds have a limit of use of 14 days per family. Campfire permits are not required in these two camps when fires are in the campground stoves.

GROSSES LEAVE TO JOIN WALTER HAUG

Mr. and Mrs. Jack Gross left Sunday for San Simeon where they will manage the service station on the San Simeon Lodge property.

Mr. and Mrs. Walter Haug, formerly of Sugar Bowl are operating the lodge which is located two miles from the fabulous Hearst Castle, now a state park and tourist mecca.

To Far East—
Mrs. Kent Fothergill of San Francisco, formerly of this area wrote that she is planning an extensive trip to the Far East.

Baccalaureate Is Scheduled June 5 For 61 Graduates

Rev. Langguth To Speak At Ceremonies At High School

Baccalaureate services for the 61 graduates of the Tahoe Truckee High School will be held Sunday, June 5 at 8:15 p. m. in the gymnasium of the school, Principal C. W. Scuitto announced this week.

The baccalaureate address will be given by Rev. Earl L. Langguth, pastor of the Community Methodist Church at Kings Beach, who has chosen as his subject, "What's the Use?"

The program will open with the processional and Rev. George Symons, pastor of the Church of the Mountains, will give the invocation.

The high school chorus and band, under the direction of Ross W. Price will be heard in a few numbers and the benediction will be offered by Father P. J. O'Neill of the local Catholic parish.

Relatives and friends of the graduates are invited to attend the services.

Graduation of the class is scheduled for June 10.

Location For New Building In Doubt

There has been considerable local controversy over the location of a possible county building for the eastern end of the county, but to date there has been no decision and there is not likely to be one for some time to come.

This is according to Supervisor H. G. Loehr who said he has been confronted with numerous inquiries and suggestions, with some favoring a new building in the western portion of town and others holding that purchase of the old elementary school would solve the problem and provide adequate housing for the county offices.

Loehr said that no decision has been reached by the building committee on the building either one way or another and that until recommendations are made no action by the supervisors is possible. Money is being budgeted to provide for a thorough survey of the county's building needs, including the proposed Truckee building, but until this survey has been made, no definite action can or will be taken, Loehr explained.

The supervisor said he has no personal opinion regarding the location of the proposed building, but is anxious that one be obtained and will continue to work toward that end.

WOODLAND WOMAN EXPIRES ON VISIT

Mrs. Lena Hartwig, 76, a resident of Woodland, expired Wednesday afternoon following an attack suffered while visiting a Lake Tahoe resort. She was a native of Germany born November 3, 1883. Mrs. Hartwig had been residing with a son, Kurt Hartwig and was at the lake with a daughter, Mrs. Margaret Longee when stricken. The body was taken to Woodland by the Truckee Colonial Mortuary.

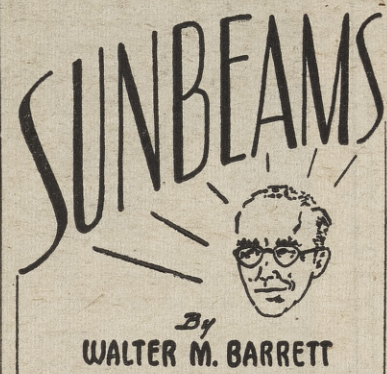

MASS SCHEDULE FOR JUNE ANNOUNCED

Father P. J. O'Neill announced that mass schedules for June will be as follows commencing Sunday: Truckee Assumption Church, 9:30 a. m.; Queen of the Snows at Squaw Valley, noon Corpus Christi, Tahoe City, 8 and 11 a. m. and Our Lady of the Lake, Kings Beach, 8 and 11:30 a. m.

INSTALLATION FOR RAINBOW MAY 28TH

An installation ceremony of the Order of Rainbow for Girls will be held in the Masonic Temple, Saturday, May 28 at 7:30 o'clock, with Joan Brown taking her place as worthy advisor. Ellen Rich is the retiring worthy advisor. A reception and dance will follow the ritual.

PACK MEET
The regular pack meeting of Cub Scout Troop 7 will be held Monday, May 30 at 7:30 p. m. in the high school, William Davis announced.

The Tahoe Truckee High School's lively little newspaper, Wolverine Whisper, has brought out an editorial fact which is worth repeating. Under the title of "So You Think You Are a Good Driver?" the paper says: We have noticed that a few of the boys at Tahoe Truckee like to drive their cars a lot faster than the speed limit allows. These boys had better "play it cool," or they might find themselves on the other end of a cop's pencil, with a couple of tickets—or worse. Most of the kids here have never been in an auto accident, but there are a select few in school who seem to be accident prone — or just plain idiots. Remember: the life you save may be your own. End of item. Since the opening of the freeway, old Highway 40 is not as extensively traveled as it was previously and this road is a tempting speedway for thoughtless youths, (and not a few adults) who frequent it. There are many intersections into the road and danger lurks at every corner. Speeding, particularly racing, and crowded front seats are extremely dangerous, not only to the careless occupants, but to other motorists and we think the Wolverine Whisper has earned a big hand for warning these few thoughtless drivers.

Judo Graduation Will Be Held Soon

As a benefit for the Little League, the Truckee Lions Club is sponsoring the graduation and demonstration program to be given for 11 peace officers who have completed their course in judo under the coaching of Dr. Henry Tapia.

The affair will be held June 11 at 8 p. m. at the Tahoe Truckee High School and tickets at \$1 for each adult are available from members of the Lions Club or may be obtained at the door on the evening of the program.

There are five Placer County and five Nevada County sheriff's deputies and one California Highway patrolman in the class, Dr. Tapia announced.

WOMEN'S CLUB WILL SHOW SPRING DRESS

KINGS BEACH—The annual spring fashion show presented by the North Tahoe Women's Club will be held at the Nevada Lodge on Friday, June 3. Cocktails will be served at 7 p. m. and dinner at 7:30 p. m.

Theme for the evening is "Summer Fashion Cruise" with fashions being presented by the Riviera Shops of Kings Beach and Tahoe City. Models showing creations for sport as well as formal wear will be: Mrs. Ed McWilliams, Mrs. Jack Boatman, Mrs. Ray Ehlers, Mr. and Mrs. Jack Franklin, Mr. and Mrs. Woody Burris, Mr. and Mrs. Jack Jensen, and Mrs. Ed Black.

Reservations must be made by Wednesday, June 1.

BOY SCOUTS HOLDING MEETINGS ON MONDAY

Boy Scouts of America, Troop 7 is holding meetings each Monday evening at 7 p. m. in the Veterans Memorial Building, John Goldsmith, scoutmaster announced.

Any boy over 11 years of age wishing to register for the first time and all those wishing to re-register for scouting may do so on the evenings of May 30 and June 6.

Daughter Arrives

Mr. and Mrs. Paul Parlari welcomed their daughter May 21 at Tahoe Forest Hospital. Robin Nancy tipped the scales at a plump 8 pounds, 6 ounces. The mother is the former Nancy Kaspian, daughter of Mr. and Mrs. George Kaspian and the baby's father, former Truckee resident, is with the U. S. forces, stationed in Tennessee.

New Manager Of Utility District Is Due Here Shortly

Eastern Electrical Expert Will Take Over Job Next Week

Wilbur L. Bell of Sterling, Massachusetts, is expected to arrive here next week to assume the management of the Truckee Public Utility District, a position open since the resignation of Daven Morey more than a month ago, Dr. Ben R. King, board chairman, announced.

Bell comes here highly recommended for the position. For the past four years he has been employed as plant manager of a municipal lighting plant and prior to that was electrical supervisor for the navy department in their public works division.

In the former office, Bell was responsible for the supervision of all department activities such as transmission, distribution, power contracts, engineering and accounting.

The new manager is 34 years of age, married and has three children. The family is moving to Truckee immediately.

With the Sterling Municipal Light Plant, Bell had complete supervision of the plant organization, administration and maintenance personnel, including office staff and management. He was charged with inventories and costs, planning and estimating projects and handling public relations.

Bell is a member of the American Institute of Electrical Engineers.

He was selected from five applicants for the local position, Dr. King explained. Officials of the plant where Bell worked for four years were high in their recommendations.

LAST RITES ARE HELD FOR IRA BLAIR, 56 PROMINENT AT LAKE

KINGS BEACH—Funeral services were held Monday at 1:30 p. m. for Ira F. Blair, 56, prominent and widely known operator of Blair Cottages at Kings Beach who expired Thursday following a brief illness at a Reno hospital. Burial was in the Mountain View Cemetery.

Blair also operated the Harry Stubble Realty Company at North Tahoe.

He came to Kings Beach from San Francisco in 1947 and had been active in community affairs there since that time. He was a native of Caddo County, Oklahoma, born April 16, 1904.

Surviving are his wife, Catherine and a brother, Jess Blair, both of Kings Beach.

VETERINARIAN WILL OPERATE HOSPITAL

TAHOE CITY—Dr. Robert L. Taylor and family have arrived from Berkeley and will operate the Lake Tahoe Veterinary Hospital two miles north of Tahoe City on Highway 89. Dr. Taylor has leased the property from Dr. Stuart Dingwall.

Dr. Taylor has been associated with the Cutter Laboratories at Berkeley since his graduation from the University of California with the class of 1957 and has been practicing part time in that community.

The hospital here will be open the year around starting June 1.

The Taylors, who have two children, a daughter four and a son, three, will make their home at the hospital.

FRIENDSHIP NIGHT IS OBSERVED BY LODGE

Friendship night was held by Truckee Chapter No. 116, Order of the Eastern Star with courtesy officers from other chapters in the state officiating at the stations.

Dorothy Harp, worthy matron from South Pasadena presided while other officers came from several other places. Elmay Philippi, assisted by Helen Stokes, Victoria McIver, Anita Allison, Mr. and Mrs. Stanley Zwarg and Wayne Philippi formed the refreshment committee for the large assembly.

DAUGHTER BORN
Mr. and Mrs. Robert Orr of Truckee are parents of a baby daughter, Patricia Jane, eight pounds, eight and a half ounces, born May 23 at 10:45 a. m. at the Tahoe Forest Hospital.

Three Inches Snow Falls Here As Low Mercury Recorded

The three inches of snow which fell here Monday night added .32 of an inch of precipitation to bring the season total to 20.12 inches, Henry Toccalini of the U. S. Forest Service reported. The normal for the season to date is 26.67 inches.

The storm created considerable confusion on Donner Summit where more than a foot of snow fell to snarl traffic for a time and caused a series of minor accidents.

Toccalini said the normal precipitation for May is 1.08 inches and thus far during the month Truckee has received only .70 of an inch.

The temperature fell to 19 degrees on Sunday to set a new record for that date and the warmest day of the week was on Friday when the mercury went to 61 degrees.

Either-Sex Deer Hunt Is Proposed

If public opposition to shooting of female deer has eased as much as the department of fish and game thinks it has, upwards of 10,000 of them may be killed this year, the Capitol News Service at Sacramento reported.

The department has recommended 47 antlerless or either-sex hunts for this year, with a total of 22,275 permits. Much of them would be held during the regular deer season.

A breakdown of the 47 hunts (all antlerless permits unless specified as either-sex) would include the following in Region II: western Nevada County, 150; central Nevada County, 350; western Placer County, 300; western Amador County, 100; central El Dorado County, 600; eastern Amador County, 200; eastern Calaveras, 300; western Alpine, 300; Yolo County, 150; Sierra-Nevada, Loyaltown area, 700; Placer-Nevada, North Tahoe, 300; El Dorado-Placer, 70.

All hunts but the Yolo would be from the first Tuesday to the last Thursday of the late season.

DIANE HOLLINGER TO WED JAS. MORRISON

The King of Creation Chapel in Squaw Valley will be the interesting setting for the wedding June 4, Saturday at four o'clock of Miss Diane Rose Hollinger and James Stuart Morrison. Two hundred relatives and friends of the young couple will attend the religious nuptials and the reception following in Squaw Valley Inn.

Mr. and Mrs. Percy Leroy Hollinger of Oakland vicinity are parents of the bride-elect, where she attended schools and where she obtained her training as a nurse.

Miss Hollinger has resided at Kings Beach since coming from the bay district and has recently been employed on the staff of Tahoe Forest Hospital at Gateway Park.

The future benedict is employed at Squaw Valley and he and Miss Hollinger have made many friends in the area where, it is believed, they plan to make their future home.

MORE FUNDS GO TO HIGHWAY PROJECT

The state highway commission yesterday voted an additional \$750,000 to the \$5,000,000 project on U. S. 40 between .7 of a mile east of Baxter and one mile east of Emigrant Gap.

The added money, according to the Capitol News Service at Sacramento, will be used for stabilizing slide areas, installing drainage facilities and building parking areas for use in putting on and taking off tire chains.

The work will be done under a separate contract.

EASTERN STAR WILL HOLD MEET JUNE 7

The first day of summer will be the theme of the June 7 meeting of the Truckee Chapter, No. 116 Order of the Eastern Star. Convening at 8 p. m., Margaret Craig, worthy matron and Sam Faulkner, worthy patrol will preside.

A memorial service will be emphasized during the evening session. Georgia Blatchley is chairman of the refreshment committee while Mr. and Mrs. James McIver will be hosts of the evening.

Warden Warns Of Deer Killing Dogs In Truckee Region

Six Does Known Killed In Immediate District By Dog Packs

In the past week at least six deer have been known to have been run down and killed by marauding dog packs in the Truckee and Gateway area, Game Warden Charles Spillner reports.

Spillner pointed out that the deer migration back to summer range is in full swing and many of the doe deer are carrying fawns due to be born in the near future and are easy targets for the vicious dogs which are permitted to run wild without restraint.

Five of the deer killed this past week, Spillner said were carrying fawns and on at least one occasion the fawn was carried through a residential section where children were awaiting a school bus.

Dog owners, Spillner declared, that have a sincere concern for the welfare of their animals should restrain and keep them under control, especially during the spring and fall migration periods and during the fawning time. Dogs that acquire the habit of running and killing deer seldom change their ways and there remains only one solution — to dispose of the dog.

In addition, to allow or permit a dog to track, trail or run deer during the closed season is a violation of the fish and game code and dog owners are subject to both criminal and civil prosecution, if their animals are observed taking part in the chase or killing of deer.

All conservation officers in the area are making this appeal to dog owners to restrain and control their dogs during this very critical time of the year.

Work Is Started On Kaspian Park

Forest Service construction crews from the Nevada City headquarters have started the initial construction phase of the Kaspian public recreation area at Blackwood Creek on Lake Tahoe, Norman Anderson, assistant district ranger, announced.

Al Sommers is in charge of the grading and clearing crew which is putting in a parking lot and roadway and Walt Harkin is in charge of the construction crew building sanitary and picnic facilities. By mid-summer this initial phase of the construction will be completed, and will provide public picnic and parking on the north-west shores of Lake Tahoe at Blackwood Creek.

This construction is just the start of the overall program planned by the U. S. Forest Service for the Kaspian public recreation area. Eventually enough beach, trailer parking and camping facilities will be built at this area to provide recreation facilities to handle up to 1,500 people per day.

SACRAMENTO WOMAN DIES ON VISIT HERE

Following a brief illness, Mrs. Jennie Pierce, 94, a long-time Sacramento resident, expired here Monday morning. The body was sent to Sacramento by the Truckee Colonial Mortuary and service will be held at the El Dorado cemetery near Placerville Friday at 1:30 p. m.

Mrs. Pierce was born May 8, 1866. She is survived by a son, Ross E. Pierce and 11 grandchildren.

MISS KAREN DECKER HONORED IN NEVADA

KINGS BEACH—Miss Karen Decker, daughter of Mr. and Mrs. Lloyd Decker of Kings Beach, was recently initiated into Cap and Scroll, a women's honorary society at the University of Nevada. She is a junior student and a member of Pi Beta Phi sorority.

Karen was also selected as outstanding active of her sorority this spring and was presented with a scholarship at the Founder's Day banquet in April.

SIREN TESTS TO BE HELD ON SATURDAY

Fire Commissioner N. F. Dolley announced that a test of two new fire sirens will be made Saturday to determine which one will be kept in service.

At the same time, Dolley said plans are being made to install a second siren in the Gateway-Meadow Park area for the benefit of the firemen residing in that area.

The new alarms are being installed by H. L. (Bud) Owens.

In Korea During Riots—
Mrs. Maude Gaffield has received word of the safety of her granddaughter, Miss Linda Perry who left for Korea recently as a United States employee. Recent riots were in the immediate area where Miss Perry is living.

JOURNEY'S END, ALASKA—from Fort Richardson to Palmer
and back in three days. Army SP-4 James R. Kitchen and Charles
A. Sokolik near the end of a 100-mile bleak ski expedition to
earn a United States Army Alaska 100-mile ski patch. The men,
members of the 536th Transportation Company, 1st Battle Group,
23rd Infantry traveled through high winds, a heavy snowstorm
and over glare ice to earn the coveted patch.

and passed unanimously, approv-
ing the Welfare Budget in the
amount of \$1,196,182.

Mr. Charles Kitts, County As-
sessor, appeared before the Board
and entered into a discussion on
the ninety day appointment for
extra help as contained in the
Extra Help Resolution. A motion
was made by Supervisor Loehr,
duly seconded and passed unani-
mously, authorizing the Assessor
to continue the employment of
Mrs. Jean Olsen until July 1, 1960.

A written request was received
from Judge Verle Gray of the
Nevada Judicial Court requesting
the transfer of the sum of \$200
from Supplies to Temporary Salaries
in his budget. A motion was
made by Supervisor Loehr, duly
seconded and passed unanimously,
disallowing the budget transfer.

Budget Code No. 613, County
Airport, was presented to the
Board and upon a motion made,
duly seconded and passed unani-
mously, was tentatively approved
in the amount of \$4,775.

Mr. Richard Swanson, Chairman
of the Zoning Committee at Donner
Lake, appeared before the
Board and requested that legal ad-
vice be given to the Planning Com-
mission so the Zoning Program can
proceed rapidly in that area. The
matter was referred to the Chair-
man of the Planning Commission.

At this time Judge Verle Gray
appeared before the Board and en-
tered into a strong protest over
the denial of a budget transfer by
the Board of Supervisors. The
Board took no further action upon
the transfer request.

A motion was made, duly second-
ed and passed unanimously, to ad-
journ for lunch to meet again at
1:30 p. m.

AFTERNOON SESSION

The Board reconvened at
1:35 p. m. and it was noted that
Supervisor Coughlan was absent
and all other members of the
Board were present.

Budget Code No. 531, Sheriff's
Office, was presented to the Board,
and Sheriff Wayne Brown appear-
ed before the Board and entered
into a discussion on that budget.
A motion was made by Supervisor
Robinson, duly seconded and
passed unanimously, tentatively
approving the Sheriff's Budget in
the amount of \$99,900.

Budget Code No. 535, County
Jails, was presented to the Board
and the Sheriff again answered
questions relative to that budget.
A motion was made by Supervisor
Loehr, duly seconded and passed
unanimously, approving the County
Jail Budget in the amount of
\$17,200.

Budget Code No. 501, County
Hospital was presented to the
Board and it was noted that Cedric
Porter, Superintendent, was pres-
ent in the audience. A lengthy
discussion ensued between Mr.

Brunker, Mr. Porter and the Board.
A motion was made by Supervisor
Loehr, duly seconded and passed
unanimously, tentatively approv-
ing Budget Code No. 591 in the
amount of \$339,456.76.

Upon a motion made by Super-
visor Robinson, seconded by Super-
visor Smart and passed unani-
mously, Budget Code No. 589,
Insurance, was approved in the
amount of \$43,945.

Upon a motion made by Super-
visor Smart, seconded by Super-
visor Bishop and passed unani-
mously, Budget Code No. 589,
Predatory Animal Control, was
tentatively approved in the amount
of \$3,576.

Upon a motion made by Super-
visor Loehr, duly seconded and
passed unanimously, Budget Code
No. 601, Juvenile Detention Hall,
was approved in the amount of
\$10,282.

Upon a motion made by Super-
visor Bishop, seconded by Super-
visor Robinson, Budget Code No.
612, Board of Trade, was approved
in the amount of \$9,720. Upon a
roll call ballot, it was noted that
the Fifth District voted negatively.

Budget Code No. 503, Special
Auditing and Accounting, was
again submitted to the Board and
a motion was made by Supervisor
Loehr, duly seconded, amending
the budget and approving it in
the amount of \$6,500. Upon a
roll call ballot, it was noted that
the Fourth District voted negative-
ly.

The following proposals were
read to the Board by the Clerk
in regards to the conduction of a
Salary and Management Survey in
the County:

Ebasco Services \$15,500
Ernst & Ernst 8,500
Griffenhagen & Kroeger 5,850

A motion was made by Super-
visor Loehr, duly seconded, to have
a Management and Salary Survey
conducted in the County for the
fiscal year 1960-61. Upon a roll
call ballot it was noted that the
Fourth District voted negatively.

A motion was made by Super-
visor Loehr, seconded by Super-
visor Smart, directing the Auditor
to again amend Budget Code No.
503, M-5, to include an amount of
\$8,500 for the Management Survey.
Upon a roll call ballot, it was
noted that the Fourth District
voted negatively.

A motion was then made by
Supervisor Loehr, seconded by
Supervisor Smart, directing the
Clerk to issue a minute order to
the Purchasing Agent, directing
Mr. Hughes to enter into contract
negotiations with the firm of Ernst
and Ernst for a Management and
Salary Survey beginning July 1,
1960. Upon a roll call ballot, it
was noted that the Fourth District
voted negatively.

The Clerk then read a letter to
the Board from the City of Nevada
City in regards to the waste of
water used in the cooling system
at the Courthouse, and a motion
was made by Supervisor Smart,
duly seconded and passed unani-
mously, directing the Clerk to is-
sue a minute order to the Purchas-
ing Agent, directing Mr. Hughes
to investigate the allegation, and
if found true, to obtain an estimate
of the cost of the correction of
such a waste of water.

At this time a motion was made
by Supervisor Loehr, duly second-
ed and passed unanimously, to ad-
journ to meet again on May 26,
1960, at 10 a. m. thereof.

/s/ W. W. BISHOP,
Chairman of the Board of
Supervisors
ATTEST:

West Shore Notes

By NINA SLADE
LAmbert 5-7751
P. O. Tahoma, Lake Tahoe

Monday marks Memorial Day when the nation pays tribute to its dead in all wars. Cemeteries everywhere are decorated on this day with loving memory. Tahoe City and the lake area are grateful to Constable Harry Johanson who for many years has voluntarily rehabilitated and cared for the small and picturesque cemetery above the golf links. The first known record of graves at Tahoe City was in 1869. All around the lake are unmarked graves because there were no cemeteries. There are still three unmarked graves near the cemetery on the links. Most famed of the Tahoe Cemetery dead was Robert M. Watson, a trail blazing Californian and friend of Kit Carson. Other buried there are "Poker" Pete Albiston, who died in 1930, and Felix Kuchler, a resident of Tahoe for 40 years. Constable Johanson, with the aid of local merchants, clubs and

workmen has given many spare hours to bring an unkempt cemetery on a hillside the beauty it deserved.

An enjoyable afternoon was spent at Nevada Lodge last Saturday by members and daughters and guests of the Lake Tahoe Sierra Emblem Club No. 347. Following the lovely tea, club members with their daughters modeled their own dresses for the group. Many had designed and made their costumes. Prizes for the oldest mother present went to Mrs. Bernita Jones. Debbie Grahm was prize winner for being the youngest daughter present. Next regular business meeting will be June 2, 7:30 p. m. at the Tahoe Community Center, Tahoe City. Remember all who are eligible and wish to join should contact Membership Chairman Mrs. George Day, JUniper 3-3330. The charter will close on June 22.

The house party season makes its debut Memorial Day weekend with a holiday crowd of a dozen friends at John Drums Tahoe home. Another house party June 11-12 will be given for Sandra Postley and Rory Kelham by Laurence Gamble, Jr. at his parents place. Sandra and Rory will be married

June 25.

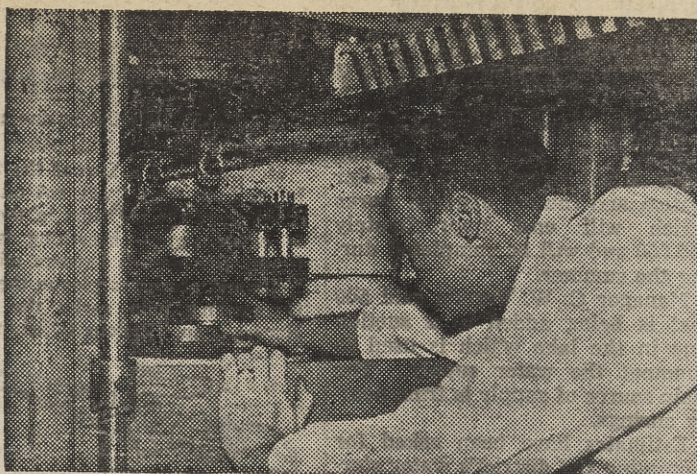

Jackie Jensen of Crystal Bay played in a star-studded alumni football team trying for a second straight win in the annual alumni varsity football game at Berkeley last week. Jensen, who didn't play his senior year at California, gained 1,703 yards rushing in his three years. He is the second leading rusher, behind John Olszewski, in California history, and averaged 5.8 yards.

Mr. and Mrs. Emilio Belluomini of Lodi are at their Tahoe home. Mrs. Fannie Haste had word of the death of Fred Kotan, San Jose, former long-time resident of Tahoe.

Fred M. Ganz of San Francisco has opened his Tahoe lake front home.

Ed White of Rubicon Properties and Jack Dempsey of Tahoma have returned from a business trip to Lake Chapala, Mexico, where they purchased some 400 acres of land to be developed under the name Alta Vista de Chapala.

West Shore Lodge at Homewood will open for the holiday weekend Decoration Day. The Gordon Minors and John Chirmeles are busy getting things in shape. Bar-

POWERFUL HYDRAULIC PRESS used to make diamonds from ordinary graphite, U.S. Army Signal Research and Development Laboratory, Fort Monmouth, New Jersey. John E. Tydings, a Signal Laboratory engineer, prepares a synthesis experiment. Diamonds, nature's hardest known substance, are a form of carbon. In the successful synthesis, a graphite and metal charge is subjected to a pressure of 1,250,000-pounds per square inch in a two stage pressure chamber. Electric current is used to develop a temperature of about 3,000 degrees Fahrenheit.

bara Minor had Sheila Duarte as her guest. Caught in a sleet storm over the summit, Gordon devised and ingenious do-it-yourself windshield wiper with a piece of twine,

when the automatic wipers conked out. Don French, Standard Oil representative at Tahoe City, is resign-

ing to go into the real estate business.

Realtor F. A. Bier has remodeled his building near the "Y" with a handsome new front and interior. Howard Pyle plans a paint store in part of the building and has moved his family into a charming apartment above, which enjoys a view of the lake on one side and the golf course on the other.

Squaw Valley had a "clean up" party last week. Among the sprucer-uppers were the LePires, the Steffanis, the Klausens, Peter Simons, Leland Bakers, Warren Simmons, the Sherry and the Wirtz family. The Myron Walls gave a breakfast for the workers and the Dave Haydens topped the day with a buffet.

The Tahoe City Golf Club had a members' tournament last Sunday topped by a barbecue. This weekend the Pittsburg Country Club will play at Tahoe.

Visiting Marie Henry and other friends recently were Amelda and Horace Johnson, who used to be at the Dollar residence and are now living in Tucson, Arizona.

The Federated Women's Club will hold their June 2 luncheon meeting at Sunnyside Lodge, Tahoe Park, 12:30 p. m. Guests are welcome. Installation of new officers and an informal fashion show with club members modeling Riviera Resort fashions are on the agenda. Tickets are still available for the painting donated by Mrs. Paul Curtis which will be given away. Many surprises are planned, so the gals are urged to bring a large purse to carry home their loot. Club President Irene LePire entertained the officers at luncheon last week to tie up details of the year's business. All the officers look back with her on a successful year for the club and wish the best luck to the incoming president.

Bob Bosserdet, a carpenter, who lives at Tahoma sustained a serious deep hand cut through his right hand while at work on the Hank Alrich home. Neighbors rushed him to Tahoe Forest Hospital in record time. Fannie Haste and Mrs. Laura Mitchell visited Bob last week and Mrs. Mitchell baby sat with Bob's dog. Good Samaritan Fannie Haste drove Bob home from the hospital on Saturday.

Anthony Antone and his wife of the McKinney Estates subdivision office, and James Poole, of Sacramento, arrived last week to shop for summer housing and open the real estate office.

The H. C. Bakers of Palm Springs returned to their Rubicon home for the summer. The Griffiths of Woodland are also in.

George and Bobbie Holt of Sunnyside received a surprise visit from friends of 30 years, Mr. and Mrs. James Evands of Lodi.

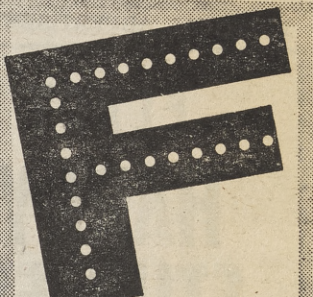

Joe and Dorothy Ray of Sacramento and their two young sons came up for a weekend of camping last Friday on their Tahoe property but the high winds, rain and snow rather blighted their expedition.

Mrs. Pat Ivey and daughter Diane are sprucing up their Rubicon house while Bob is spending some time at their ranch in San

Jose. Undaunted by the big blow which tore down the TV antenna, Pat replaced it and managed to put in a few hours helping Connie Erickson, manager of the Piedmont-Tahoma store, stock his shelves for opening last weekend.

The W. D. Wrights of Tahoma have arrived for the season from Grass Valley.

Mr. and Mrs. George McCarthy of San Francisco have been busy for several weeks getting their Tahoe place in order for Memorial Day visitors. Mrs. McCarthy boasts she'll be 75 in June. (Continued on Page 8)

OLYMPIC FLAG GOES TO GAMES AT ROME

SAN FRANCISCO—The 9 by 12 foot American Flag which was raised at Squaw Valley each time a Winter Olympics winner stepped into the victory circle will fly at the Olympic Games in Rome this summer.

In Rome, the flag will be turned over to Bob Mathias, former United States Olympic decathlon champion. He will present it to officials of the games.

California's first provincial legislature was elected and installed at Monterey November 9, 1822.

POLITICAL ADVERTISEMENT

WORK IS STARTING ON IMPROVEMENTS FOR TAHOE UTILITY

TAHOE CITY—The Tahoe City Public Utility District is starting work on improvements to its water system and sewage disposal works which will cost approximately \$45,000 and will be completed during the summer.

Manager C. W. Vernon said 500 feet is being added to a suction line in the lake which is used to augment the water supply. The main source of supply is from nearby springs.

Estimates have been asked for increasing the district's water storage capacity from 36,000 gallons to 200,000 gallons.

Improvements to the sewage disposal system will include installation of an alarm system and emergency power supply for the district's five pump stations and a 75 kilowatt stand by power plant at the treatment plant.

A contract also has been let for construction of 3,300 feet of water line to serve the Comstock Acres subdivision. Thomas Brothers of Bowman, Placer County, will do the work for approximately \$12,000. Vernon said the subdividers will advance the funds and will be reimbursed over a period of years from water revenues.

CLUBS HOLD JOINT MEET AT LAKE TAHOE

KINGS BEACH—Rotary and Soroptimist clubs held a joint meeting Monday evening at Crystal Bay. It was one of the largest and most enjoyable meeting held here.

Guests were present from Tahoe City, Auburn, Reno and southern California.

Dr. W. W. (Wes) Hall, a former president of the Reno Rotary, was the guest speaker and his humorous remarks brought the party to a hilarious climax.

Members of both clubs expressed a desire to make the joint meeting an annual event.

FISH DERBY OPENS FOR TAHOE NIMRODS

KINGS BEACH—Harvey Martin and Bob Moore, chairmen of the fish derby sponsored by Veterans of Foreign Wars Post No. 7077, Lake Tahoe, announced the fourth annual event started May 20 and will close June 30 with prizes to be awarded Saturday, July 2. There is no charge for entering and all boys and girls are welcome.

The rules provide that boys and girls from one to 15 years of age are eligible. Only shore fishing on Lake Tahoe and in streams is counted and no adult assistance will be tolerated.

Fish must be checked at the official weighing stations, Bob Howell's Tahoe Sportsman at Kings Beach and at the Village Store in Tahoe City.

POLITICAL ADVERTISEMENT
STATEMENT TO THE VOTERS OF DISTRICT 4 BY MERLIN LAY

I have been in the building business and a retail building supply in Meadow Vista 14 years at which I have been successful. Prior to that I had a poultry ranch at Rio Linda which I also operated successfully. What I am trying to say is that taking care of the county business should be someone that has had some record of a successful business. I also believe that a supervisor should keep the people of his district informed as to what is being done, and what cannot be done, and why. I believe that some of the county departments could be run more efficiently than they are at the present. My many years on the school board and Meadow Vista County Water District Board have given me some valuable experience operating on a tax base. And if done on the same basis as private business you can get more out of a tax dollar.

DON'T BE A DOPE!

Bureau of Public Information, New York City Police Department

A DRUG ADDICT is one of the walking-dead.

Here are just a few of the things he suffers: The teeth rot out. In some cases the partition in the nose is eaten away—breathing is difficult. Sex organs become affected. Boils and abscesses plague the skin. Gnawing pain racks the body. Nerves snap. Vicious twitching de-

velopes. Sometimes complete insanity results.

WHAT DRAGS a man into dope's grip?

For some it's just the frustration of ordinary every-day problems. These people struggle against what they feel are overwhelming odds. Seeking some escape they turn to narcotics.

FOR AN ADULT, drug usage is generally a voluntary undertaking. He decides to try a shot entirely on his own free choice.

This is not usually true of teenagers. It is easy to imagine a youngster being dared to try the

stuff by his pals. Not wanting to be "chicken" he does so. He then feels he is a "man" in the eyes of his buddies. Perhaps he is proud of what he has done.

GRANTED he does know a little about the disastrous effects of dope. But he boasts that it can't happen to him. He thinks he knows when to stop—and that he can break the habit any time he wants to. But this isn't so.

The first shot wears off. Again he lusts for his new-found paradise.

He takes a second shot, then a third. Before long he is trapped in the vicious cycle of drug addiction.

AS THE BODY gets used to the drug the addict needs more and more dope to satisfy his hunger—stronger and more frequent shots. Soon it's almost impossible to recover.

And so, through a dare or an enticement, a young life is wasted with the first furtive drag on a marijuana cigarette. The habit sometimes mushrooms into a craving that even heroin can't satisfy.

IF SOMEONE dares you to take dope, be smart. Remember—dope is strictly for dopes!

† Public Feature Service, Washington 17, D. C.

ASSESSMENT PLAN AT TAHOE IS APPROVED

AUBURN—An assessment district to provide all the services usually found in an incorporated city has been approved for a 200 acre area proposed for residential development north of Tahoe City,

Lake Tahoe.

The board of supervisors gave the go ahead to forming the district which first will provide sanitation facilities and may provide extended police, fire, park and recreation, library, road construction and maintenance abatement services.

The land is on Dollar Point and

TAHOE TRUCKEE SCHOOL NEWS

TRUCKEE ELEMENTARY

KINDERGARTEN: We have a new class member John Langeour is a transfer from Woodland.

Mrs. Dorothy Lane, from our Auburn office, visited us this week.

FIRST AND SECOND GRADE: We welcome Susan Jang and Larry Simmons to our class. Both children are second graders.

Both first and second graders did very well on their spelling this week.

SECOND AND THIRD GRADE: New students are joining the class. We have Pamela Laugenour and

Kit Ellis.

Best spellers this week are Larry Doyle, Ben King, Carl Mahon, Dennis Weiler, Jim White, Chris Wiser, Kathy Barrett, Sharon Corrine, Deborah Harris, Dottie Kirk, Barbara Randol, Diane Rose, Betty Stacy, Cathy Menges, Pamela Laugenour and Angie Acosta.

THIRD GRADE: We have two new third graders this week. Nancy Jang transferred from Donner Trail School and Robert Kyle is from Napa.

Special reports on various subjects including the solar system, Russia, frogs, and machines were given by Robert Kyle, Maryann Atkinson, Liz Richards, Terry Higgins, Michelle DeLisle, Michael Neeley, Bruce Leamon and George Franceschini.

FOURTH GRADE: Our A's in spelling are John Clark, Wilbur Glenn Moise Jauregui, Mike Larsen, Phil Ridsen, Linda Russell, Karel Lynn Sauby, Gail Shackelford, Allison Spillner, Mary Stacy, Barry Waters, Jill Wurst.

We welcome Gail Shackelford for the last month of school.

FOURTH AND FIFTH GRADE: In spelling, 5th grade, Cheri Comola, Gail Englehart, Beverly Holleman, Cam Houlgate, Nicky Kenyon, Craig Mullis, Dennis Richards and Gaele Lynn Stewart scored 90 per cent or higher on a 100 word spelling test.

In spelling, 4th grade, Pam Horman, Nancy Randol, Sheila Rosamond and Marta Drewry scored 92 per cent or higher.

A high average in arithmetic is being maintained by Gail Englehart, Beverly Holleman, and Billy Sassarini for the fifth graders while Pam Horman, Nancy Randol, and Sheila Rosamond continue their excellent work for the fourth grade.

Scoring very well, 100 per cent on multiplication test (4th grade) were Connie Davis, Rod Farley, Billy Hobbs, Judy Ingalls, Bobby Weihe and Alice Bradley.

FIFTH GRADE: The style conscious fifth grade, conducted a spring fashion designing contest. The judging was done by the girls of the 8th grade. Top three places went to Terry Richards with some very chic creations. Tim McLane one of the few boys to enter the contest shocked the class with his "balloon" dress.

TAHOE LAKE SCHOOL

KINDERGARTEN: Weekly reader star pupils in kindergarten this week are Susan Lewis, Laura Njirich, Bobby Fitts, Clifford Plew, Rudy Peterson, Eddie Connors, Scott Wisdom, Michael Bechdolt, Laurie Stephen, Cynthia Ables, Charlene Keehn, Robby Easton, John Attardi, Ruth Street, Arlene Orr, and Randal Huddleston.

FIRST GRADE: Top spellers this week in our first grade were: Carl Ruhkala, Yvonne Baker, Jackie Gormley, and Bonnie Nyberg.

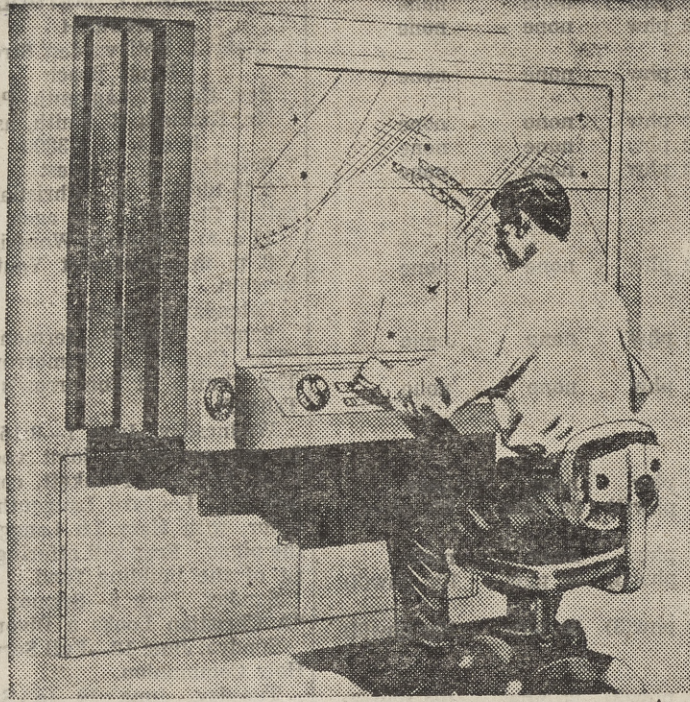

Star printing papers were done by Paula Henriksen, Bill Moyer, Randy Sprague, Bob Zehm, Yvonne Baker, Deborah Fitts, Michelle Legras, Marlene Lisle, and Catherine Van Wetter.

SECOND GRADE: President for the week is Jackie Marier. Many of the assignments in reading are being completed with the close of the year approaching.

SECOND AND THIRD GRADE: Perfect spellers this week were Calvin Bechdolt, Denise Kimball, Ray Street, Scott Broomhall, Gordon Phillips, Marianne Meisner, and Linda Walker.

Officers elected were Calvin Bechdolt, president—Bill Dutton, vice president—Scott Broomhall, secretary.

THIRD GRADE: The officers

INSTANT MAPS: Microfilm maps coupled with an automatic selector give promise of easier and quicker location of distant targets for Army field commanders when this device, now under development, is introduced. Known as the Fairchild Target Map Locator, the instrument is being designed to automatically select the correct map from a compartment containing more than 11,000 different maps recorded on colored microfilm. A touch of the operator's finger and the correct map will be projected on the screen. Accurate target location of any point on the screen may then be determined by positioning of horizontal and vertical crosshairs.

elects this week were president—David Sumners—vice president—Tom Handy and secretary—John Spitsen.

FOURTH GRADE: The following children received hundreds in the weekly spelling test: Ann Starratt, Tommy Hoff, Leah Howard, Denise Henriksen, Mary Tabor Griswold, Dianne McBride, Suzanne Wertz, Michael Keechler, Vicki Broomhall, Erik Henriksen, Steven Shaw, Frank Martin, Edward Scott, Barbara Hannagan, Kathy Meixner, Janet Jorgenson, Kim Marvin, Toni Rates, Tuck Rivard, David Wood, Ernie Marier, Breezie Cross, Pam Bradley, and Roxanne Anders.

FIFTH GRADE: The dramatic account of the San Francisco fire, written by Tom Stephani, took top place this week in creative themes.

SIXTH GRADE: This week wrapped up the basic studies on South America. We saw an excellent film on the Pampa region of Argentina.

SEVENTH GRADE: The class has been recently engrossed in making maps of Russia to accompany the unit. A or "A-maps" included Wendy Broomhall, Lisa Davis, Randa Fugere, Holly Shaw, Sherry Wall.

KINGS BEACH SCHOOL

SECOND GRADE: The following

DONNER LAKE LODGE

INCORPORATED
HAL WELCH, YOUR HOST

children have completed the reader "The New More Friends and Neighbors" and are now reading in a third grade reader, Don Lisa Beck, Sally Templeton, Lana Hill, Gary Price, Hazel Waincoat, Ricky Decker, Janet Stumbo, Lisa Beckman and John Gorrindo.

THIRD GRADE: We are presently traveling in space. Many of the children have brought books from home to share with the class.

The advanced reading groups have been doing some map work and reports on Cuba and Australia.

SEVENTH GRADE: Our Africa committees, the last in social studies for the year, are divided by geographical boundaries. The northern desert committee has Leta Laborde as chairman and Nancy Jo Bervid as secretary; the southern desert has John Waincoat and Barbara Hampton; the northern grasslands has Chuck Carpenter and Toni Taylor; the southern grasslands has Kent Fugazi and Gail Fitzgerald; and the jungle is led by Jon Hill and Bob Wells.

DONNER TRAIL SCHOOL

PRIMARY GRADES: Kristin Madden brought her little red eared turtle to visit school this week as an example of a reptile which is the science unit covered by the primary students of the Donner Trail School this week. The unit of study covered all five groups of living reptiles as well as the extinct reptile groups.

UPPER GRADES: The fourth, fifth, and sixth grades are presently working on a science project having to do with reptiles. We are drawing pictures illustrating four different classifications of reptiles.

The Donner Trail School Band will perform at the school on June 1, under the direction of Ross Price.

TNT FINDINGS

By SHERRY THATCHER

Baccalaureate will be held for the seniors June 5, in the high school gymnasium starting at 8:15 p. m. Reverend Earl Langguth will deliver the baccalaureate address titled "What's The Use?"

It was reported in student council that the car wash held made only \$4. This leaves the general student body fund with \$30. Money raising projects are now being considered.

Campaign posters this year were on the humorous side and it was suggested in council that next year they follow the pattern of state campaigns. A bit more serious.

The annual spring concert, this year titled "Spring Prelude," will

start at eight o'clock, Friday May 27, in the high school gymnasium. Admission is fifty cents.

The development of synthetic rubber during World War II has been called "one of the most spectacular industrial achievements of modern times."

STRIKES & SPARES

BY JOE WILMAN

FIVE POINTERS FOR HIGHER SCORING

Professor Wilman says, "It's better to:

1. . . hit the head pin on the nose, as the illustration shows than to miss it completely. A nose hit CAN POSSIBLY give you a strike, and it also means you can hit the 1-3 pocket with slight adjustment.

2. . . get the ball out on the alley. Releasing the ball on approach robs it of much of the stuff you apply with finger lift and/or wrist turn.

4. . . go for a pocket hit in a crucial spot instead of trying to play it safe. A strike is a more normal delivery for you. To change from it at a crucial time invites a poor delivery and a bad leave.

5. . . get too much practice rather than not enough. It's easier for a stale bowler to recover than one who hasn't developed his touch yet."

TAHOE WEATHER

TAHOE CITY—Like other parts of the region, the weather at Tahoe City during the past week has been unseasonal with temperatures

dropping as low as 19 degrees with a high of 51 recorded. Two inches of snow fell Monday night. All gates were closed and the level of the lake Monday stood at 6228, subject to revision.

38 Years Experience

Reasonable Rates

WIDER, PLEASE!—Two lads from Hanna Boys' Center contemplate the shape of things to come, and try out a doctor-patient relationship as they prepare for the May dedication of a new infirmary at their home in the Valley of the Moon near Sonoma. The building is the 17th to be built at the 10-year-old California "boys' town."

DONNER DOINGS

By VIRGINIA O'BEAR

I have been trying to discourage all of the robins and blue jays in our back yard from taking off for the south. I have been putting food out for them on top of the snow so they may stick around until we get a break in the weather. I have had my share of winter and I am sure every one feels the same. Weather is bad everywhere and I guess we are not so bad off as snow is much nicer than rain, earthquakes, tornadoes and strong winds. Soon we will have the warm sun for sunbathing.

We received a newsletter from the Donner Lake Property Owners' Association this week and they are planning a weekend of work on the beach. The beach committee has requested that all be notified that there will be work done on the beach on the May 30 weekend. They plan to build a new raft, place the floats and ropes around the swim area, repair the link fence that was damaged by falling trees, clean up the beach area and level where necessary. Bring your hammers, rakes, and shovels and help them so we can all enjoy the facilities to more advantage this summer. Also remember to pay your dues before the next regular meeting scheduled for July 3 or you will be unable to vote and will not receive your ballot by mail. Mrs. Wayne Ross, secretary of the organization urges

you to send your dues to the treasurer in ample time so she may be notified in order to send your ballot. The firemen of the Donner Lake Volunteer Fire Department have the support and cooperation of the organization for the Donner Lake Regatta set for the weekend of July 9-10.

Firemen of the Donner Lake Volunteer Fire Department met the past Saturday and Sunday and put in a lot more work on the firehouse. They have accomplished a lot of inside work which is so necessary to provide ample storage room and shelves for supplies.

Ladies of the Auxiliary of the Donner Lake Volunteer Fire Department met at the Soda Springs Hotel last Thursday night and enjoyed a delicious prime rib dinner with all the extras such as shrimp cocktail to start off with and ending with strawberry shortcake. An interesting meeting followed as members discussed the coming Donner Lake Regatta and all are interested in helping the firemen to make it a huge success. This year will be more exciting as the regionals will be here for the second time in eleven years. This means that there will be more drivers who are champions and record holders and this race will be the most thrilling one that Donner Lake has had in many years. Before the races which are scheduled for Sunday, July 10, a barbecue is in the planning stage for Saturday night after the barbecue so reserve that weekend and invite all of your out of town relatives and friends to come up that

weekend. They will have a ball. (At the Firemen's Ball, that is, as well as the barbecue and races).

Mr. and Mrs. Irv Lund are moving to Meadow Park from the Virginia Robart home that was recently bought by Jack Melugin. Jack is busy fixing the home and he and his family will be moving into it soon. We will miss the Lunds at Donner Lake but Irv will be around as he is with the Donner Lake Utility Company.

Mrs. Roger Brown is getting along fine these days and has her broken foot in a walking cast. It is healing fine and she will have the cast removed in a few weeks.

Mr. A. Carles was up last weekend from the bay area and had real good luck fishing. Despite the cold windy weather we have had recently, the fish are still biting good and limits are being caught.

By JUDGE HARRY CHARRISON

WEATHER
Another week of cold mornings and windy days and I mean windy. And here we are nearly in June. Sunday, 7 a. m., windy and 20 degrees—cold, huh?

LIONS MEETING
We had our old friend and supervisor, Frank Paoli, and Constable Dick Lavery at the Lions meeting last week, after a pre-meet at Ruth Lavery's, at which Elsie, Gwen and I attended.

ON BUSINESS
Saw our old friend Tom Lucas at Tahoe City. He was here on business for the Breuner Company of Sacramento. He reports Wilma and daughter as doing well, but definitely miss Tahoe.

BACK FROM ISLANDS
Had a visit from Mr. and Mrs. Dodd who are just back home after a glorious time on the islands. They spoke as though they could turn around and go back, at least they keep warm there. We have just received a beautiful gift of Hawaiian fruits and nuts and it was belated as they arrived here before the gift. At any rate it

was wonderful. They have reels and reels of pictures which Hank will be happy to show on any festive occasion.

BACK AGAIN
Wendy and Guyer Shumacher of the Tahoe Food Center are back and hope to open up in a few days.

HOME AGAIN
Just talked to Earl Gray... Earl and Carrie have just returned from a long trip which pretty well covered the Pacific Ocean. Sorry to hear Carrie has been in bed with a case of the Asiatic flu since returning, but she is recovering.

SADNESS IN THE COMMUNITY
We have just heard of the passing of one of our beloved friends, Ira Blair, the first person my wife and I met when we arrived at beautiful Tahoe, fifteen years ago. He was a quiet, unassuming friend, loved by all that knew him. I am sure the many friends that knew Ira express their heartfelt sympathy to his wife, Kay and other relatives.

PASSES
Members of the sheriff's department and friends were deeply saddened to learn of the passing of the mother of Mrs. Robert Moustis in Roseville, after a short illness. Mrs. Moustis is the wife of Lieutenant Moustis of the Tahoe district.

MARRIED
What a surprise to learn of the marriage of Jimmie Crawford at Burlingame. Congratulations to them both and many years of happiness to them.

HAPPY DAYS HERE AGAIN
Yes, June the 8th is the night set for the open house of the Cal Neva Lodge. The event of the year. Was talking to Mr. Grober (Wingy) today, who says an ad will explain everything so watch for it in a future issue of the Sierra Sun.

WEST SHORE NOTES

Continued from Page 3
It's hard to believe it the way she works and scurries about.

The polling place for residents of El Dorado County in the Tahoma-Meeks Bay-Rubicon area for the June 7 primary election will be the Meeks Bay Resort Club House.

Sara and Bill Hunter of Bacchi's Inn have a beautiful new enlarged dining room to serve some 120 guests. The old dining room is now a comfortable cocktail lounge.

Sincere sympathy from all their friends to LaVina Bates on the death of her husband Bob, after his long illness.

Jeanne and Ray Sherman showed up at Tahoma shivering last weekend after a winter in Palm Springs.

R. L. Colford of Roseville arrived at Tahoma in a snowstorm last weekend and found the whimsical spring temperatures had frozen his water pipes.

Mr. and Mrs. Johel W. Lloyd of Oroville spent last weekend at Tahoma.

Directors of the Sub-contractors and Material Contractors Assn. of Northern California enjoyed dinner at the Chicken House last week after a regular quarterly meeting. Len Smith of Carnelian Bay was host.

Red Greenman made a trip to Los Angeles last week to pick up a car for Ralph Bly.

ELIZABETH STEWART TO LEAVE LOCAL HIGH

By SHERRY THATCHER

Leaving the ranks of Tahoe
Truckee's faculty this year will be
Mrs. Elizabeth Stewart. Behind her
she will leave a long list of ac-
complishments for the furthering
of TnT standards.

As a speech coach she assisted
Tahoe Truckee entrants beyond the
Lions Club Speakers Contest local
competition to the zone section,
where Truckee placed second.
Also, Tahoe Truckee placed first
among Class B (under 500 en-
rollment) schools in interperative
reading at the University of
Nevada Invitational Speech Tour-
nament. This good showing has
sparked an interest in a possible
oral English class next year.

As instructor in journalism and
adviser to the school paper, "Wol-
verine Whisper," she has sparked
an interest in journalism which
has brought honors to the paper,
in the mimeographed papers class
and has earned charter member-
ship for Tahoe Truckee in the Cen-
tral Valley Scholastic Journalism
Association.

Three of her journalism stu-
dents, Craig Beck, Kris Felle and
Sherry Thatcher, received certi-
ficates of merit from the association
for their journalistic accomplish-
ments. Tahoe Truckee is also one
of a select group of schools across
the country allowed to distribute
"Scholastic Roto," a publication of
the National Scholastic Press As-
sociation.

Mrs. Stewart is the dean of girls,
director of guidance, instructor in
Spanish I, II and III and in Journal-
ism I.

With Mrs. Patnoudé, she spon-
sors and organizes careers in medi-
cine, a club for future doctors
and nurses.

She plans to be at San Jose
State College as an assistant pro-
fessor of English, next year. She
will also continue her studies to-
ward the Ph.D. at Stanford Uni-
versity.

This summer she plans to visit
her family in Hawaii, and to travel
through Mexico.

She has encouraged and chap-
eroned many field trips this year.

NO CHANGE PLANNED FOR HUNTING SEASON

SACRAMENTO—(CNS) — The
California Fish and Game Commis-
sion has announced its intention to
set hunting regulations, seasons
and limits for 1960 just about the
same as for 1959.

The commission announced the
"determinations" it reached at a
secret meeting in San Francisco
May 5. They are announced, as re-
quired by law, in order to give the
public some notice of what may
be adopted at the final regulatory
meeting in Los Angeles May 26-27.

invited to attend

WORK IS STARTED ON LOCAL HIGHWAY

The state division of highways
announced from the Marysville
district office that clearing and
other preliminary work has started
on the relocation of the Truckee-
Sierraville-Quincy highway, State
Sign Route 89, from U. S. Highway
40 near Truckee to about two miles
north of Hobart Mills.

Clearing operations are in the
Alder Creek vicinity about one and
one-half miles west of the exist-
ing road.

The new 6.6-mile section of high-
way will follow a new route from
Truckee west of the present road
to allow for the formation of a
reservoir behind the Prosser Creek
dam now under construction.

Traffic will continue to use the
old road and will not be affected
by construction at this time.

The project is expected to take
about six months to complete
under favorable weather condi-
tions.

Isbell Construction Company of
Reno is the contractor having
made a low bid of \$822,803 last
month. James P. Meek of Yuba
City is resident engineer for the

RETAIL TRADE HIGH FOR YEAR IN COUNTY

The retail trade in the unincor-
porated area of Nevada County was
23.7 per cent greater during 1959
than in 1958, it was announced by
Paul R. Leake, third district mem-
ber of the state board of equaliza-
tion.

During 1958, the sales tax in the
unincorporated portion of the coun-
ty, which includes the Truckee-
Donner Lake district, was \$9,831,
in Nevada City where the tax went
while in 1959 it totaled \$12,162.

There was a 10 per cent increase
from \$2,722 to \$2,995 and in Grass
Valley a 10.2 per cent increase
was noted when the 1959 tax
totaled \$9,696 compared to \$8,800

division of highways.

GET CONTRACT

SACRAMENTO—(CNS) — The
state department of public works
has awarded a \$79,605 contract to
Krull and Pacheco, Union
City, for reconstruction and
widening on Brockway Road
(FAS Road 1245) between the
Placer County line and 1.5 miles
north in Nevada County, about
one miles southeast of Truckee.

TRAFFIC INTO STATE SHOWS DIP IN MARCH

SACRAMENTO—(CNS) — Traf-
fic passing California's borders—
which showed an unusual dip dur-
ing March—recovered with a bang
to show sizeable increases in all
categories during April, the depart-
ment of agriculture reported.
The department's 17 border

in 1958.

Over the state as a whole the in-
crease was 15.6 per cent, the report
shows.

quarantine stations reported 915-
364 persons in 185,731 Californi-
registered cars, 143,271 out of state
vehicles and 3,669 buses, passed
the borders during March. This
compared with March, 1959 totals
of 810,076 passengers in 168,920
California autos, 125,478 out-of-
state cars and 3,282 buses.

Power generated by the waters
of Niagara Falls was first put to
commercial use in 1895.

FRESHMEN LEAD IN SCHOOL BOOK DRIVE

The freshman class of the Tahoe Truckee High School took first place in the book-recovery drive during the week of May 9-14. A total of 263 books was collected by them and delivered to the library. Their only competition came from the sophomores with a total of 155.

The freshmen owe so much of their success to the efforts of one industrious student, Tom Terkildsen, who persuaded his parents to contribute a collection of 155 titles—all on the adult level and in excellent condition. These will be processed in the near future and made available to all patrons of the library.

The senior and junior classes contributed a total of three—with the juniors leading two to one.

The collection count for the elementary schools is yet incomplete. So far Truckee Elementary is in the lead with a count of 111.

The student committee that worked on this project consists of Margie Mandeville, freshman; Barry Leamon, sophomore; Libby Kilbourn, junior; and Janay Pelletier, senior. They were commended for their efforts and contributions in making this drive a success.

From Reno—

Mrs. Hannah Stewart who has been staying with her daughters families at Reno for the winter months, has returned to Truckee, her friends are happy to learn.

HARRY STUBLEY ON FREEHOLDER BALLOT

HARRY STUBLEY

Harry Stubley, one of three candidates from the north Lake Tahoe district seeking a position on the Placer County Board of Freeholders as the primary election June 7, has issued the following statement:

Having been selected to represent this area, I have accepted the challenge, and if elected, I shall do everything within my power, based on forty years of business experience, to do the job right.

This experience including the past ten years—representing the Lake Tahoe area on the Placer County Planning Commission, eminently qualifies me to represent all of Placer County—in drafting a good and sensible charter form of government—to be presented at a later date to the voters for acceptance.

To prepare a workable and acceptable charter, all section of the county must be represented on this board.

Therefore, I appeal to the good judgment of all the voters, to select candidates from all areas of the county—Lake Tahoe, Forest Hill, and Colfax, as well as from the larger centers of population in the western end of our county.

TAHOE SQUAWS WILL HAVE SALE JULY 8-9

TAHOE CITY—The Tahoe Squaws will have a benefit rummage sale for the Tahoe Forest Hospital in Truckee July 8 and 9. Rummage donations will be appreciated.

Call Mrs. Legras, JU 3-3250 or Mrs. Helm, JU 3-3250. Donations will be picked up promptly.

JUNIOR-SENIOR PROM IS HELD IN RENO AREA

Hidden Valley Country Club, in the Reno foothills, was the scene of this year's Junior-Senior Prom. Soiree Enchantee was the theme, and the decorations created a French atmosphere.

A delicious dinner was served to highlight the occasion.

The couples were beautifully attired, but it is impossible for this reporter to do justice to the lovely costumes.

From the dance floor the glittering spectacle of the lights of Reno could be seen sparkling in the distance. In the lounge soft colored lights provided a fairy-like atmosphere as the couples danced to the music of "The High Tones," a six-piece orchestra with a vocalist.

More than sixty couples attended the gala affair. Patrons and patronesses were: Miss Evelyn Ames and Mr. P. Morris; Mr. and Mrs. James Brehler; Mr. and Mrs. John Corbin, Mr. and Mrs. Neil Gates, Mr. and Mrs. Eugene Goodrich, Mrs. Hilda Hintz, Mr. Carl Lude, Mr. and Mrs. Lyle Morris, Mr. and Mrs. Ross Price, Mr. and Mrs. Reginald Smart, and Mrs. Elizabeth Stewart.

The entire junior class is to be congratulated for the excellent organization and conduct of the affair, with particular recognition to the prom chairman, Brian Calhoun, and assistant chairmen Tony Calcagno and Tina Grundemann, and their assistants Vickie Firpo, Charles Glenn, Marily Plevel and Jo Ann Pomin, and many others whose efforts combined to make this gala occasion one long to be remembered.

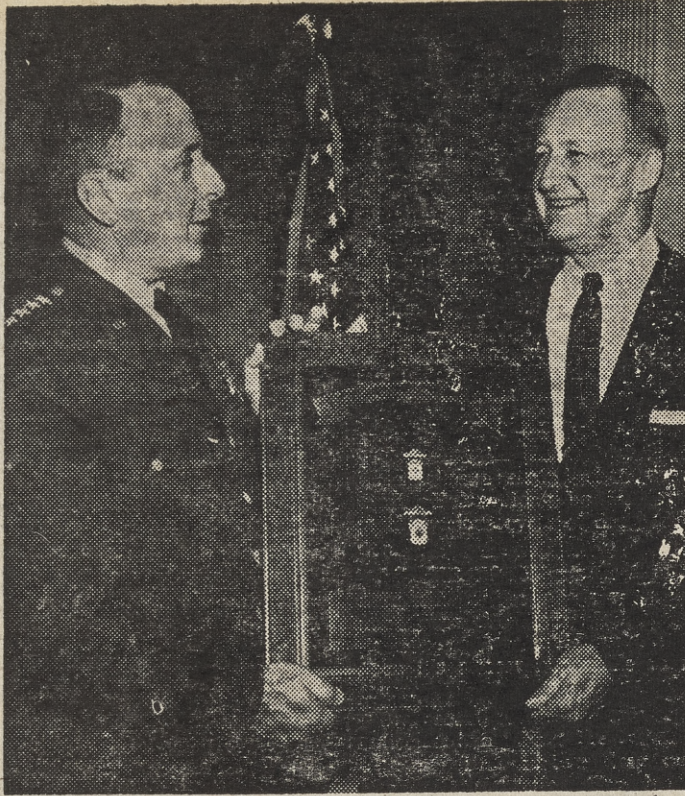

BANNISTER SERVING SENTENCE IN JAIL

Gary D. Bannister, 22, of Livermore was sentenced in the Nevada County Superior Court to serve five years, the first six months in the county jail and the balance on probation.

Bannister was found guilty in a jury trial May 4, of grand theft of an automobile in Truckee February 23. The evidence presented showed the car was taken to Livermore, rebuilt, new numbers stamped on the frame and offered for sale.

The car was the property of Niel Jamison, 22, of San Rafael. The same Niel Jamison is now in the hands of the county authorities also charged with auto theft.

Date of jury trial for Jamison was set for June 15.

Army

DEADEYE'S AIMS—Newly-designed models of badges which are the U.S. Army's highest awards for rifle and pistol marksmanship are presented to Franklin L. Orth, executive vice president of the National Rifle Association, by General Lyman L. Lemnitzer, Army chief of staff. The distinctive badges will be placed on display at NRA headquarters in Washington, D.C. General Lemnitzer, who became a distinguished rifle marksman as a second lieutenant in 1924, has been given a lifetime membership in the association.

VACATION COSTS UP FOR COMING YEAR

Highway vacation costs are continuing to climb upward, the California State Automobile Association reports.

The AAA motorists' organization is now suggesting a vacation budget of approximately \$40 a day for each couple driving 300 miles daily, compared to \$36 a day last year.

Major reason for the increase is the higher cost of food and lodging, since car operating costs have held steady. On the basis of reports from AAA field reporters who cover well over a million miles annually inspecting hotels, motels and restaurants, the CSAA recommends the following on-the-road budget for a vacationing couple:

Car operating costs, \$9; overnight accommodations, \$9.50; food, \$12; tips, \$2.50; admissions and amusements, \$2.50; and souvenirs, incidentals, refreshments and emergencies, at least \$4.50.

Biggest changes are in the cost of accommodations for two, up \$1 over the previous estimate and the cost of food for two, up \$2.

Among the dollar-stretching devices recommended by the CSAA for economy-minded motorists are these tips: drive during the early part of the day and stop in the late afternoon when you will have plenty of time to find the type of accommodations you wish at a price you can afford to pay; check in advance the cost of admission to tourist attractions; if possible, plan your trip in spring or autumn instead of peak travel seasons when roads and overnight accommodations are crowded and prices high.

\$100,000 SUIT FILED AS MISHAP RESULT

AUBURN—Howard F. Smothers asks \$100,000 damages in a superior court lawsuit against Elsie T. Harter and Violet P. Cook. He asserts the women's automobile forced him into the path of a paving machine which ran over him July 30 while he was employed as a flagman on a highway project near Truckee, Nevada County.

Lead and copper, differing widely in chemical composition and uses, are often closely associated in geological formations.

BILL APPROVED FOR FOREST HIGHWAYS

WASHINGTON, D. C.—The highway authorization act has passed the house of representatives following a successful campaign by Congressman Harold T. (Bizz) Johnson of the 2nd, valley-mountain counties, district to win increased authorization for forest roads and trails in 1962 and 1963.

"These authorizations set the ceiling for appropriations in those two years," the congressman said, "so it was important that we succeed in this effort if we are to obtain any greater access to the 181,000,000 acres of national forests."

"Additional forest roads are needed for many reasons, not the least of which are fire prevention and control, disease control and improved timber sales which will benefit county and school governments through greater federal contributions."

Budgeted for this year and next is \$30,000,000 for the forest road and trail developments in the nation. This amounts to about \$5,712,000 for California. The bill as introduced called for continuation of this for two more years.

Congressman Johnson, a member of the public works committee, succeeded in amending the bill in that committee to increase these authorizations to \$35,000,000 in 1962 and \$40,000,000 in 1963. This is the biggest increase in forest road and trail authorizations ever put through the committee and the house of representatives.

An effort to cut back this authorization was blocked by the congressman and others who have a great interest in national forests, in a debate on the floor of the house of representatives.

100 YEARS OLD

The Sandland ware was made in 1853 at Landcaster, England.

The buffalo is Kansas' official state animal.

POLITICAL ADVERTISEMENT

Loehr Strives To Keep Taxes Down

Throughout my administration as supervisor for the fifth Nevada County District, it has been a prime object to keep taxes as low as the demands of the people will permit. Compared with other counties, Nevada has a low basic rate, with district taxes making up the larger part of the actual rate we pay.

As you all know, I vigorously opposed the imposition of a county sales tax, a tax which I believe was unwarranted except to pull two major communities in the county out of a bad spot. It was not a good tax for this end of the county.

County services, such as social welfare benefits, county hospital and other facilities demanded by the people, are expensive, but it has always been, and will continue to be my purpose and duty, to keep these costs at a minimum. If you will take the trouble to investigate, I am sure you will find that Nevada County's rate is among the lowest and this has been made possible only through a constant check on proposed expenditures.

In soliciting your vote at the primary election on June 7, I can only promise you that I will continue to keep a constant vigil on all budget matters and hold the tax rate at the lowest possible figure and still provide you with necessary services.—H. G. Loehr.

CLYDE SHEPPARD IS GIVEN JAIL SENTENCE

Clyde Richard Sheppard was lodged in the Nevada County Jail, upon conviction in the Truckee Municipal District Court. Sheppard was arrested Thursday charged with defrauding an innkeeper of Truckee. He pled guilty before Judge Wilson of Truckee and drew a 30 day jail sentence on the charge.
